A parenting program for parents & carers of children aged 0-6

At times all parents feel lost or without a clue about what our child might need from us. Imagine what it might feel like if you were able to make sense of what your child was really asking from you.

Learning objectives of the Circle of Security are:

- Understand your child's emotional world by learning to read their emotional needs
- Support your child's ability to successfully manage emotions
- Enhance the development of your child's self esteem
- Honour your innate wisdom and desire for your child to be secure

Free childcare is available. Places are limited.
